precision. Suddenly a shell is seen to strike a farm-house, which immediately falls a flaming wreck; burning haystacks illuminate the hillside; the deep-mouthed roar of the cannon is heard occasionally, then there is a bull in the scene for a moment, when, with an awful hiss, a murderous shell strikes the stable just vacated by Frederick and in an instant the

cated by Frederick, and in an instant the edifice crumbles to pieces, a dilapidated "Frederick the Great" will be presented Thursday evening.

"The Sidewalks of New York" will be the attraction Friday and Saturday, and Saturday matinee. This is a melodrama, pure and simple, and contains all the essentials of this form of dramatic comessentials of this form of dramatic com-position. There is a lot of special scenery used, and many interesting points in New York are shown. The characters in the play embrace all conditions of life found in the great metropolis, from the mil-lionaire to the ragged newsboy who sells his papers on the street, and does a song and dance as a side line, or, rather, in order that he may introduce his specialty. And there are many specialities in "The And there are many specialties in "The Sidewalks of New York," as is the case in most melodramas of its kind.

The Bijou commences the fourth week of its second season to-morrow with a bill that promises to maintain the standard of the house. The leading feature is the of that eccentric comedian, James J. Morton, assisted by charming Marie Rich-mond, in a skit that has been called "a conversational absurdity." Mr. Morton and Miss Richmond are clever entertain-

Manager Wells made a ten strike when he secured the vitagraph and moving pic-tures of the Dewey celebration in New York. There was a great demand for the pictures and the machine, but Mr. Wells was in on the ground floor, and the people of Richmond will thus be afforded a chance to see the views before some of the larger cities get them.

the larger cities get them.

Lina and Vani, brother and sister, are said to be the most comical of all comedy acrobatic performers. They are on the bill, and make their first bow to the

The Patterson Brothers, great horizon-tal bar experts, are listed high in their branch of the profession.

Seymore Howe and Miss Emily Edwards, creators of comedy skits; Conway and Lelands, "The Merry Monopedes," and Miss Nina Collins, the popular vo-

calist, are the other members of the com-cany. Regular performances will be given very night during the week, with matinces Tuesday, Thursday, and Saturday.

Mr. Henry W. Pemberton, an old Richnond boy, who during the past few years as won success on the stage, is in the ity, where he is endeavoring to "rest up a bit" and recover from his recent illness. Mr. Pemberton was with Lincoln J. Carter's "Chattanooga," which organization he joined in August. Some weeks ago he was taken sick and compelled to leave the company and go to a Chicago hospital. When he was able to leave the latter he came on to Richmend, being too unwell to rejoin the company, which was then in the Northwest and heading for then in the Northwest and heading for the coast. However, he will not be al-lowed to enjoy a very long rest, for he has received a telegram from Agnes Wal-lace Villa, in whose company he has been a member before, requesting him to join in two weeks to play the leading heavy in known actress will appear this season Mr. Pemberton has been a member of the profession about six years, in which time he has managed to reach a high place in its ranks. He is well-liked by his fellow-players, as he is, indeed, by every one with whom he is thrown in contact.

COLLEGE BOYS GITTING READY FOR FOOT-BALL SEASON.

THE TEAM WILL BE A STRONG ONE.

Few Old Men Back-Good Material Available from the New Students and "Scrubs" of Last Year-The Schedule-College Notes.

The prospects for foot-ball at Richmond College this year are very good, notwithstanding the fact that only four men of the 1898 team have returned.

The strength of the team will lie in the new material, which is being rapidly developed. Mr. Julian Hill is the skilful director. Mr. Hill is a man of ripe experience in foot-ball matters. In 1897 he made a record as half-back on the Virginia "Varsity" team. His fine work with the college team last year is best evidence of his fitness for the position he

The new men are showing up in good style, and the increase in matriculates in the past few years gives a wider field for

the past few years gives a wider held for selecting the eleven.

Among the old men is Stone, captain and right-tackle. Stone is playing his usual fast game. He is a steady man and a hard and enthusiastic worker. He gets into the play very quickly.

Cammack, at centre, is one of the heaviest men on the team. Though heavy, he is quite active, and has a good knowledge of the game. He snaps the ball nicely.

ricely.

Fleming, who played at guard last year, is at left-tackle. He is showing up well at his new position, and bids fair to make a valuable man. His weight. trength, and experience count a great
